

HAMILTON

Men's Hockey Prospect Camp

Learn from top Division I and III college coaches.

Two Ice Sessions Daily with Off Ice College Recruiting Seminars

To register: www.hamilton.edu/athletics/summercamps.html or www.altitudehockeycamps.com

Our Focus

Our focus is the student athlete. We match players of similar ages and/or ability level to allow our instructors and evaluators the opportunity to determine which young men and women demonstrate the skill and determination to be college athletes. Recommended for "AAA and Junior Players."

Goals

- Education (what opportunities lie ahead and how to get them)
- Guidance (interact with college coaches who recruit for college)
- Exposure (showcase your skills with college coaches evaluating)
