## Skenandoa

Skenandoa Golf Course is part of the beautiful 175-acre Skenandoa Club. The private club is located at the intersection of Campus and Norton Roads just five minutes from the Hamilton College campus.

This challenging 18-hole, par-72 layout measures more than 6,700 yards from the blue tees. The course, built in the 1960s on the site of the Albert Mair Farm, features a relatively open front nine. But water comes into play on no fewer than six of the last nine holes.

Hamilton College has had ties with the Skenandoa Club since its inception in 1890, when six Hamilton graduates were part of a group of 12 Clintonians that organized what started as a social club. Skenandoa has hosted a number of Hamilton tournaments, including the final round of the 2010 and 2012 Fall Invitational, and the 2009, 2010, 2011 and 2012 Spring Invitionals. Skenandoa was the site of the 2007 New England Small College Athletic Conference (NESCAC) Championship Qualifier, which was a two-day, 36-hole event.

The Skenandoa Club, where Hamilton golfers practice on a daily basis.
