● Community Comments:
  ■ Bi-centennial “History of the College”
  ■ Investment in the arts at a time the rest of the country is investing in vocational skills
  ■ Infrastructure is sound- President must trust the leadership
  ■ Technology- commitment to supporting workers as they evolve change
  ■ Commitment by Hamilton to include the outside community- President must embrace contributions to those efforts
  ■ Understanding strengths- working within them
  ■ Recruitment, retention of diverse students
  ■ Athletics are co-curricular, not “extra-curricular”
  ■ Highly regarded as a good place to work
  ■ Bridging outer community gap
  ■ Commitment to wellness (gym, pool, other facilities)
    ● Also brings faculty/staff/students together (room for more intersection)
  ■ Theme of gratitude
  ■ Resources to do jobs well
  ■ Need blind- debt free would be a dream
  ■ Being more secure in our own identity - We are wonderful because of who we are
  ■ Support in times of need
