

Sophomore Declaration Questions:

What led you to choose your concentration? (such as: particular course(s), career aspirations, personal experiences)

Explain how your education thus far has helped you address the College's [purposes and goals](#).

Which of the purposes and goals have you yet to address, and what do you plan to do to address them?

Other than completing your concentration, what are your educational plans for your final two years at Hamilton?

Are you planning on studying off-campus?

If so, where and why?

In what ways are you interested in exploring the connections between your academic coursework and co-curricular applications? (e.g., internship, leadership and volunteer activities, etc.)

How do you think your academic plan will help you achieve your life goals?

What departments or programs offer courses you have not taken but that you want to explore?
