

GREAT GREEK VASE

1.

Design the shape of your vase using pencils on colored paper.

Cut out the vase.

2.

Decorate your vase using different shapes or illustrations to tell a story. Need ideas? You could:

- Depict an important scene of your life using limited colors
- Choose a Greek vase that you really like. Make up a story for the characters.
- Create your own illustration for the next chapter of the story.

3.

Cut out the shapes and attach them to your vase using glue. Let dry completely.

4.

When dry, paste the vase onto a new background. You can pick the same color you used for your patterns or an entirely new color!

MATERIALS

Paper

Glue Stick

Scissors

Pencil
